Tell us how we are doing!

A lot has changed since Hamilton was first founded as a telephone cooperative in 1901 and we continue to look for ways to better serve our customers.

Please take a moment to fill out our survey at HamiltonTel.com/survey so we can ensure that we are providing services and products that benefit you.

Tell us about what we are doing well, if there are services you wish we could provide, and what we could do to improve. We would love to hear from you!

Now Available HBO MAX

Cobalt TV is excited to announce HBO Max - a new entertainment experience like no other. Now with the HBO Max app, you've got a new way to stream everything on HBO plus even more amazing shows and movies. The best part is, it's yours to enjoy with a current HBO subscription!

Stream your favorite shows!

Staying at home with family can be a fun and calm experience with WatchTVEverywhere (WTVE). Children have access to their favorite shows on the tablet while parents can keep up with their favorite news network on their phones!

Free* to all Cobalt TV customers WTVE is quick, simple and convenient to use.

WTVE allows you to view over 90 channels and access your favorite programs from wherever you have access to the internet – whenever you want.

Registering is easy. Visit CobaltTV.com and click on the WatchTVEverywhere banner. You will be prompted to register using the account number and last name listed on your invoice. An email address and password will be required for login access. Once finished, you will receive an activation link in your email inbox.

*Data plan charges from your mobile carrier may apply. As always, your Hamilton Internet connection is unlimited usage and no additional charges will apply when using Hamilton Internet.

Remember to Call 811 Before You Dig

Every digging job — from installing a new mailbox to revamping your backyard landscape — requires you to call 811 to have utility lines properly marked. Simply tell the operator where you're planning to dig and what type of work you'll be doing. The affected local utilities company will send a locator to your property, free of charge!

**Know what's below.
Call 811 before you dig.**

Call 8-1-1, then you'll know what's below and be able to dig safely. As one of your local service providers, we thank you in advance for your cooperation!
