

## Next Generation Anti-Virus Protection For Your Home Computer **Now Available**

Protect your personal documents, financial information, pictures and videos from devious cyberattacks. Our next generation anti-virus software works 24x7x365 in the background to detect, contain, and eliminate threats to your computer. With the rise of more advanced attacks and more time spent online, home computers are facing greater threats and need a higher level of protection to mitigate that risk. Learn more at [hamilton.net/cybersecurity/](https://hamilton.net/cybersecurity/).

**NEXT-GEN ANTI VIRUS**

**\$99** ANNUAL COST PER COMPUTER

+ \$25 INSTALLATION FEE PER COMPUTER

## Fiber-to-the-Home Update

The warm weather we experienced over the winter helped keep our Fiber-to-the-Home construction moving along. We have now completed mainline construction in Marquette – meaning Hamilton customers in five of our local exchange communities are now able to be connected to fiber! If you live in Marquette, Giltner, Doniphan, Aurora or Hampton, please call our customer service team to schedule a fiber site survey. **If we have already completed a fiber site survey in your home, please contact us to schedule the final installation to get connected!**

During the summer, mainline construction will take place in Hordville and Phillips. We expect to be ready to connect with customers in those communities before the end of the year. Additional crews are working in Central City and Dannebrog to bury fiber for service in those communities.

## Congratulations Graduates!

Congratulations on your achievement! We wish you the best of luck with all your future plans! Thank you to all teachers, staff members, school administration and students for your dedication and another successful school year.

## Before You Dig, Call 811

Before you dig, call 811 to have utility lines marked. The affected local utilities will send a locator to your property, free of charge. Then you'll know what's below and be able to dig safely.

## Announcing: Hamilton Mobile CapTel for iOS and Android

Captioned telephone services by Hamilton Mobile™ CapTel® allow individuals with hearing loss to listen and read captions of everything said to them over the phone. Hamilton Mobile CapTel is now available for download on iOS and Android™ devices! This brand new, fully-featured mobile app delivers the same trusted captioned telephone experience our customers have enjoyed at home and/or the office – now at your fingertips wherever you go. It's secure, fast, incredibly accurate and easy to use. Some of the exciting features include:

- Captions on both incoming and outgoing calls
- Seamless syncing with device contacts
- Built-in Voicemail with captions
- Simultaneous viewing of captions on a larger screen with Browser Caption Viewing
- Call Forwarding and Custom Caller ID
- Customizable captions – choose font style, color and size
- Access call log and review captions
- Direct access to customer care, 24x7x365
- And more!

**Get the app today!** It's a snap to install – download the app on the Apple® App Store or Google Play Store and follow the directions. You will be prompted to register and create an account with Hamilton Mobile CapTel – once complete, you can simply log in to start placing and receiving calls.

FEDERAL LAW PROHIBITS ANYONE BUT REGISTERED USERS WITH HEARING LOSS FROM USING INTERNET PROTOCOL (IP) CAPTIONED TELEPHONES WITH THE CAPTIONS TURNED ON. IP Captioned Telephone Service may use a live operator. The operator generates captions of what the other party to the call says. These captions are then sent to your phone. There is a cost for each minute of captions generated, paid from a federally administered fund. To learn more, visit [fcc.gov](http://fcc.gov). Voice and data plans may be required when using Hamilton CapTel on a smartphone or tablet. Hamilton CapTel may be used to make 911 calls but may not function the same as traditional 911 services. For more information about the benefits and limitations of Hamilton CapTel and Emergency 911 calling, visit [HamiltonCapTel.com/911](http://HamiltonCapTel.com/911). Third-party trademarks mentioned are the property of their respective owners. CapTel is a registered trademark of Ultratec, Inc. Copyright ©2022 Hamilton Relay. ## Now Hiring Fiber Installation Technicians

**Up to \$2500 Sign on Bonus!**

Are you looking for an outside job and steady hours? We are adding full-time, entry-level technician positions and are willing to train the right people. Our Fiber Installation Technicians work with trenching equipment, pull underground cable, and repair/maintain underground cables. Hamilton offers company-paid benefits for full-time employees. Full job descriptions and application available at: [WorkForHamilton.com](http://WorkForHamilton.com)

**Know someone who would be great for this job?**

Hamilton customers can get \$150 credited to their account\* if they refer someone who gets hired for this position!

*\*Certain restrictions apply. Bonus and referral credits available until June 30, 2022 or until all positions are filled. Customer referral credits are applicable for non-tariffed services provided by Hamilton.*

## From Our Kitchen to Yours: **Homemade Granola Bars**

### Ingredients:

- 2 cups old-fashioned rolled oats
- ½ cup peanut butter
- ½ cup honey or maple syrup
- ½ tsp sea salt (optional)

### Optional Toppings:

- ¼ cup dark chocolate chips
- ½ cup raisins or dried cranberries
- ¼ cup almonds

For a healthy and fun snack for ball games, picnics or just on-the-go this summer, try this recipe for easy homemade granola bars, courtesy of Carol, Hamilton Customer Service Representative.

### Directions:

1. Set aside oats in a large bowl. Spray an 8" pan with oil and add parchment paper to the bottom.
2. Over medium-high heat, bring honey to a boil. Let it boil for one minute without stirring.
3. Remove honey from heat and stir in peanut butter and salt until smooth, then add to oats.
4. Use a spatula to stir quickly, coating oats evenly with peanut butter mixture.
5. Transfer the mixture to the pan. Sprinkle any optional toppings over the top.
6. As soon as the mixture is cool slice into 12 pieces.

Carol, CSR
